

Training Plan for Effectiveness & Assertive Communication Skills

Program Overview

Objective: Enhance participants' ability to communicate assertively and effectively, enabling clear, respectful, and confident interactions.

Duration 2 days (4 hours each day)

Target Audience: Employees at all levels who want to improve communication skills.

Methodology: Interactive sessions, role-playing, group discussions, and feedback sessions.

Training Goals

Understand the importance and impact of assertive communication.

Differentiate between passive, assertive, and aggressive communication styles.

Develop skills to express opinions, needs, and feelings respectfully and confidently.

Increase clarity, empathy, and persuasiveness in verbal and non-verbal communication.
